How do I store my materials during the show?

Empty containers are stored as part of your material handling service. View [Material Handling Rates](#).

Outbound Shipping & Material Handling Information

How do I ship my materials out after the event?

The material handling team will begin to return the empty containers back to your exhibit space for packing after the show closes.

Complete your [Outbound Paperwork](#) ahead of your event to receive your Material Handling Agreement before the show closes. If your materials are being sent to more than one location or are being handled by multiple carriers, you will need to complete outbound paperwork for each location and carrier.

Once your freight is packed and ready to go, turn in your Material Handling Agreement or [submit online](#).
