

Material Handling Rates

Material Handling starts when Freeman accepts freight from your delivering freight carrier. Material Handling (sometimes called “drayage”) refers to the handling of your freight from receipt at the advanced warehouse or event site dock to its delivery to your booth. These rates are information only. Material handling charges will be assessed when shipment is received.

Material Handling

Efficiently receive, transport, and manage your shipments and materials to keep your exhibit running smoothly.

Shipments to Show Site

Manage deliveries arriving directly at the event venue.

Show Site Material Handling - 10 Lbs And Under (PRICE: \$0.00/lb)
